Spring Break

March 25-29

Please encourage your child to do their best work and take their time every day at school. I've been noticing some grades slowly declining. So many mistakes are made because there's so much rushing happening. It's almost spring, which is very exciting, but we still have 8 weeks of school to make it through and I want them to finish 2<sup>nd</sup> grade strong!

**Class Birthdays!**
